Celebrating Father's Day: Reflecting on Godly Fatherhood

"So he got up and came to his father. But while he was still a long way off, his father saw him and felt compassion for him, and ran and embraced him and kissed him."

Luke 15:20

Greetings Church Family,

As June rolls around and we approach Father's Day, we find ourselves with the wonderful opportunity to reflect on the vital role fathers play in our families and communities. Fatherhood is a sacred calling, modeled perfectly by our Heavenly Father, who exemplifies love, guidance, and protection.

The Bible is rich with examples and teachings about fatherhood. For instance, in Proverbs 22:6, we read, *"Train up a child in the way he should go; even when he is old he will not depart from it."* This verse reminds us of the immense responsibility fathers bear in shaping the hearts and minds of their children from day one! Fathers are called to be the primary spiritual leaders in their households, teaching their children the ways of the Lord through both words and actions.

Our society notoriously overlooks the profound influence a godly father can have upon the world. In a world where values are constantly shifting, children desperately need the steady, consistent, guiding hand of a father who is rooted in Christ. A father's love, patience, and wisdom can set a powerful example, showing children what it means to live a life of faith, integrity, and compassion.

One of the most powerful illustrations of a godly father's love within the pages of Scripture is found in the parable of the prodigal son (see Luke 15:11-32). The father in this story represents God's willful love and forgiveness. Despite his son's willful rebellion, the father welcomes him back with open arms, rejoicing in the return of his son. This parable not only highlights the importance of forgiveness, it also underscores the joy and grace that fathers bring into the lives of their children.

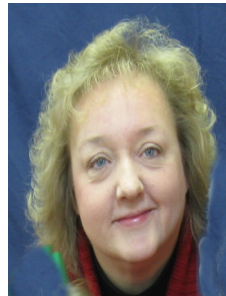

On this Father's Day, let us also remember those for whom this day may be difficult. Some may be mourning the loss of their fathers, experiencing strained relationships, or facing the challenges of fatherhood alone. As a church family, let us be prepared to extend our support, prayers, and love to those who need it most, embodying the inclusive and compassionate love of Christ.

To all the fathers in our church family, we celebrate you. Your dedication, sacrifices, and unwavering love do not go unnoticed. You are a reflection of God's heart, and your influence echoes throughout generations. As you continue your journey in fatherhood, may you find strength and wisdom in God's word, and may you always be assured of His guidance and love. **Let's build legacies men!!!**

In closing, let every one of us give thanks to our Heavenly Father, who is the ultimate example of perfect fatherhood. May His blessings be upon all the fathers in our community, and may we strive to honor and support them, not just on Father's Day, but every day.

In the Father's Hand,
Darren Anthony Jones – Pastor

Dear Sisters and Brothers in Christ:

I hope you are all well. It has been very busy around our home, but everyone is now okay. The final prayer is for my mother who will be undergoing surgery on May 31, 2024 to have 2/3 of her pancreas removed and her spleen. We request prayer for her and know that she is in the hands of the great physician.

I want to thank everyone who donated for the migrants kits this year. We prepared 51 kits. Each year we seem to increase in the amount we provide to those in need. The members of Shell Point have an amazing heart for God.

Upcoming in July we will begin collecting school supplies for Christmas In August to go to a local school. This donation helps the children who may not be able to purchase everything they need for school. Please start watching for supplies to go on sale at the end of June and July.

Our women's retreat is right around the corner in October. Please mark your calendar, we would love to have you join us for a time of reflection, praise and worship.

Love you all.

Jenny Durham

The Age Old Prognosis For Old Age

Take heart old friends as you
let truth settle in,
The coming of age is no
older than sin,
Older than sin is the owner of time,
who saw fit
To offer peace to the mind!!!
John 14:1-6
Let not your heart be troubled;
you believe in God,
Believe also in me.
In my Fathers house are many mansions;
if it were not so,
I would have told you.
I go you prepare a place for you.
And if I go and prepare a place for you,
I will come again
and receive you to Myself;
that where I am,
there you may be also.
And where I go you know,
and the way you know,
Thomas said to Him,
"Lord, we do not know where you are going,
and how can we know the way?"
Jesus said to him,
I am the way, the truth, and the life.
No one comes to the Father except through Me.

Truth Triumphs:

**Landmark Sermons by John MacArthur From
55 Years of Pulpit Ministry 1969-2024**

By John MacArthur

In 1969, John MacArthur stepped into the pulpit at Grace Community Church with a singular ambition: to unleash God's truth, one verse at a time. And thus began the ministry of Grace to You. In celebration of fifty-five years of pulpit ministry, Grace to You commissioned a special book titled *Truth Triumphs*, a collection of John's sermons exploring how God's people ought to live and serve in an increasingly corrupt and hostile world.

The value of this beautiful hardcover collection goes beyond mere nostalgia or social commentary. Each chapter explores life-shaping, soul-anchoring truths from God's Word that have equipped generations of believers for the world they would one day face. These are some of the best, most enlightening, and most encouraging of John's messages, chosen by our staff and collected into a single volume.

No matter how hopeless things may seem, God's people know that His *Truth Triumphs*.

* New copies are available on gty.org/store for \$19.00 and a copy is available to borrow in our church library.
