### "Happy Mothers Day"

April showers bring May flowers, so it has been said. It's hard to think that we are almost 5 months into this new year.

May has been the month that America has celebrated Mothers Day since the early 20th century. Although 40+ countries celebrate Mothers at some point during the year, the United States and the United Kingdom are mostly known for the celebration of our mothers.

Jesus began His earthly ministry at the request of His mother Mary at a wedding ceremony. Mothers are mentioned several times in the Bible, so there is a special reason we should celebrate our moms.

If you still have your mother and are able to spend time with her do so, or if you can't be with her but can call her I urge you to do so.

Moms are special to us all. They love us without question and are always willing to sacrifice for you for anything.

Moms are possibly the closest we will be able to experience God's unfailing love in this side of heaven.

I love my mom and hope that all mothers have not only a blessed Mother's Day, but a blessed life.

"Her children rise up and bless her; Her husband also, and he praises her, saying:  
Many daughters have done nobly, But you excel them all."  
Proverbs 31:28-29

#### **Psalms to Soothe a Woman's Heart**

Oh, the joys of those who...  
delight in the law of the Lord,  
meditating on it day and night....  
They prosper in all they do.  
Psalm 1:1-3 NLT

I keep the Lord in mind always.  
Because He is at my right hand,  
I will not be shaken.  
Psalm 16:8 HCSB

O Lord, our Lord, how majestic is Your name  
in all the earth, who have displayed Your  
splendor above the heavens!  
Psalm 8:1 NASB

Dear Sisters and Brothers in Christ:

Happy Mother's Day to all the beautiful women of Shell Point. It is not always easy being a mother. Long days and nights, dirty diapers, dishes, and everything else. There are days when you feel you are not appreciated at all. Then it happens, your child looks at you with those big eyes and says "I love you, mommy." You melt and realize it is all worthwhile. Women are amazing, mothers are amazing. Proverbs 31:25 says, "Strength and dignity are her clothing, and she laughs at the time to come."

This verse seems to describe a woman who is not only physically attractive but also possesses inner strength and a confident outlook on the future. She is comfortable with who she is. May we all possess this. You are loved.

We are in the process of collecting items for the Migrant Kits. Each year we collect, tooth paste, tooth brush, towel, wash cloth, soap, comb to be given to the migrants that come into our area to work. We need the kits here before May 25, 2025 for delivery. If you do not want to do the shopping, I will be glad to do so.

I pray each of you get out and enjoy the beautiful weather the Lord has been giving us. The garden is planted, the roses are blooming, the lily garden is up and the blooms are taking form. I am praising the Lord, I even saw the first of my sunflower sticking their little heads out of the ground. I love spring all the fresh beginning, but ole those weeds. As a wise woman once told me as you pull those weeds cast out your sins. It does help weeding go a little better. I also must sing and talk to my flowers. I just love telling them how good they smell or how beautiful they are. I thank the Lord for all. We are blessed beyond measure.
