ISSUE 7

JULY 2025

FROM THE PASTOR'S DESK

July 4, 1776

This is the day that the continental congress ratified the U.S. Declaration of Independence. This set into action the course of a new nation and brought freedom from the oppression of a king.

As we consider this and knowing that the 250th Anniversary of this historic event is coming in 2026. We can be thankful that God has watched over us as a nation and guided us through some tough and treacherous times.

Much like this is our own personal journeys that we find ourselves on in this life. We have been through tough times that have tested our faith and made us question the path that we travel.

Only when we surrender our lives to the guiding hand of Jesus and follow His lead, will we understand what true freedom means. Independence from the snares of the enemy the devil and walking in the light of Christ knowing that we have an eternal home with Him in heaven.

God is good to each of us and He drives us to be our best for Him and to lead others to Him as we navigate the battles we face day by day.

Happy Independence Day and May God richly bless you all.

In Christ.

Pastor Mark

WMU NEWS

Dear Sisters and Brothers –

I pray all of you are well. Happy 4th of July!! How are you spending your 4th of July weekend this year? Have you planned a family picnic, or maybe a trip somewhere you can take the kids or grandkids to see the beautiful fireworks. I can remember when we took our little ones, they would oh and awe constantly, it became almost like a game. The colors bursting in the sky and falling so beautifully toward the ground. Those were the days!!! I do not think I even minded the heat!!

This month we will be starting to collect school supplies to take to a local school. We can use book bags, papers, pencils, crayons, socks, underwear, anything a child might need to start the year off right. I can just imagine how hard it is for a child that does not come prepared the first few days of school. They start with a disadvantage, and no child should have to deal with that. Parents often work very hard to just provide the basics for them, but still struggle. What a relief for them and the child to come to school knowing their needs are supplied and are ready to start the year with everything they need to succeed. Shell Point has always been so good at caring for our local children, I cannot wait to see another successful year. Last year we took supplies to Whale Branch Elementary. The principal and counselors were so excited to see the what we had supplied. Thank you for caring.

I wanted to thank all of you who helped with the collection of the migrant kits. We were able to deliver 38 migrant kits this year. Way to go!!! The Spanish Bibles are a great success. The workers are swamped when they come in with the Spanish Bibles. Vicki shared with me; there was a lady who was sharing Jesus with the migrant workers but only had a well-loved New Testament and had

asked for a complete Bible. Vicki came in with the Spanish Bible and was mobbed by others wanting it. So, thank you women's class for thinking of putting a Spanish Bible in the migrant kits. God is being shared through those Bibles.

Do not forget Senior Celebration on Friday, July 11, 2025, at noon as we share fellowship, eat a meal and play Bingo! Invite your neighbor and friends. The more the merrier. What a great time is had by all.

Please keep my family in prayer as we pray for you. God is with each of us, we just must remember, He is in control and knows all.

Love in Christ,

Jenny Durham, WMU

WMU Meeting/Lunch

Wednesday, July 2, Noon

Women's Bible Study

Tue—July 15—6:15pm

Tue—July 29—6:15pm
