## Christmas Shoe Boxes

Paper, pencils, pens, glue sticks, rulers, scissors, crayons. These are basics we place in every box if we can. Other essentials are washcloths, soap, toothbrushes. We will also need any small toy that will fit in a shoebox like jump ropes, balls, tennis balls, small cars, jacks, stuffed animals, small dolls, coloring books, whistles or any toy. Even things like water bottles, t-shirts, socks etc are good items to purchase for them. If you can help with any of these purchases it is very much appreciated and there is a collection box in the foyer of the church. If you have any questions feel free to contact me. Last year we packed 507 boxes.

## FROM THE PASTOR'S DESK

When I was younger, I remember older folks always telling me how time seems to go faster the older you get.

I never understood what that meant until I got older and started to feel that time was slipping away.

August takes us 8 months into the year and it seems that just a few weeks ago we were celebrating a New Year.

As we go thru the year we must always be looking ahead at what is coming up. It may be a special day, a vacation or a special event. Regardless, we are constantly looking forward.

It is very much the same for the church and especially when we are asking God to lead us to those who need Jesus.

A church cannot fulfill God's will by looking back at their past and hoping it will move them forward.

As we look forward and plan for what we feel God is leading us to do, we must seek to reach the world for Christ. Building the Kingdom person by person and striving to help them deepen their relationship with Christ daily.

Richard Blackaby said that we must look at where God is working and go get in the middle of it and I truly believe that is the way we will see God build our church as we seek to build the Kingdom for Him.

God Bless you as we walk through this year together.

Pastor Mark.

MISSION”  
(WMU)**

As always, please keep my family in prayer  
and we will pray for you and your children.

In Christ love,  
Jenny Durham, WMU

Dear Sisters and Brothers in Christ:

Merry Christmas!!! I bet you are saying right now, Jenny is crazy! Well maybe a little, but it is Christmas in August. Every year during this time, we collect school supplies to take to a local school to help children in our community get a great start on a new school year. It is like Christmas to those children. So, as you shop and browse the ads when you see these items for sale, please pick up a few to add to the table, crayons, paper, scissors, compositions books, rulers, book bags and I always remind people, please do not forget items like little girl and boy panties and briefs (just in case of an accident at school) and socks. Thank you for caring for the children in our area.

A reminder that we still have our prayer shawl ministry, if you know of someone who needs a prayer shawl, please let me know. These shawls are prayed over and those who have received one always state they feel the power of prayer being washed over them. I thank the Lord for this ministry.

Senior Celebration in the month of July was outstanding. The fellowship sweet. To those of you who missed it, please put October 10, 2025 on your calendar for the next one. We had 35 people in July. The food was excellent. I do not know about the others but to hear the laughter coming from one another is a beautiful sound to my ears. I hope to see you at the celebration in October and bring a friend.

We will be starting to collect for our Janie Chapman Mission Offering on September 7, 2025. Our goal this year is \$1,000.00. Be on the lookout for more information on this season of prayer in our September, 2025 newsletter.

***PATH OF PEACE***

From Ship to Shore  
across stormy sea  
Will never be erased,  
The path of peace  
set in place for eyes  
with vision to seek  
Calm water in every  
footprint left, while  
walking that raging sea,  
what a Glorious Path  
The Glory of Him  
That spoke to Peter come in.  
Put your feet on the water,  
no need to swim,  
You've requested to come  
and I'm pleased if you will  
and he did tho his walk  
Made such a short path.

but then spilled he his eyes  
From the path to the storm  
and he sank in the drank  
Of the world and it's fears,  
Which has no part with the path.  
Then came his cry for help  
The very same cry that's been  
Tossed out of storms  
Throughout the ages,  
To The one that's called  
The Hand Of Help  
A Sharp Shooter without fear  
and a buzzer beater always  
so down went HIS HAND  
and onto the boat they went  
for Peter to journey on thru  
all storms coming his way  
BYWAY OF THE

Path of peace!!!
